For the foot races one or two entries have been received, but not enough to fill and it would not be fair to publish these names mean-

time. The above entries are very satisfactory and as, no doubt, a few more will be made on payment of a fee, a capital day's sport is assured. The track is being fixed and should be in good shape next week. The Clareisholm Brass Band will be in attendance during the races.

Knights of Pythias Grand Officers.

Delegates launched the
New Grand Domain.

The Grand Domain of Alberta of the Knights of Pythias was last evening formed under most auspicious circumstances. A great number of the grand representatives of the order were present from practically all points in Alberta. The province has, in all, 25 lodges and 100 members, and the feeling of the gathering was that the order was only beginning to develop its field of usefulness.

The new officers for the grand lodge were as follows:

Grand chancellor—H. M. Vincent, Calgary.

Vice-grand chancellor—C. W. McInnes, Edmonton.

Grand K. of R. and S., Dr. C. H. Stapleford, Sudgewick.

Grand prelate—Miss McInnes, Vegreville.

Grand master of Ex.—F. J. Green, Calgary.

Grand master-at-arms—T. Legshaw, Coleman.

Grand inner guard—W. A. Irwin, Edmonton.

Grand outer guard—W. G. Walford, Edmonton.

Grand trustee—F. J. Bradley, Calgary; Captain Thomas, Camrose; and R. T. Walton, Medicine Hat.

C. P. P. Conyngham, of Lethbridge, and R. Hocking, Edmonton, were selected supreme representatives to the meeting of the supreme lodge in Boston, August 4th, with J. G. Tipton, Strathcona, and A. J. McLeod, Calgary, as alternatives.

Baseball At Granum

Clareisholm 13
Granum One

On Tuesday last the local ball team journeyed to Granum and under a boiling sun won easily from the team of that town. In the first inning no runs were scored. In the second Clareisholm got six, in the third, five and in the fourth, two runs. The only run made by Granum was in the ninth inning on a long fly to right field. Noble was in the box for Clareisholm and did first-class work. Clemens, who started to pitch the game for Granum proved an easy mark for their opponents so in the 4th inning he was replaced by Wilson who did much more effective work.

Business Change

Within the last day or two a business change of considerable local interest took place. Mr. L. S. Doyle sold out his general merchandise business to Mr. N. Holmes. The transfer will take place as soon as stock-taking is completed. Mr. Holmes is no stranger to the people of this district. For some time he has run a successful business in the stand now owned by Mr. R. L. Walsh and by straight business dealings with his customers he has made a host of friends who will be glad to know that he is going to leave Clareisholm. We wish Mr. Holmes every success in his new undertaking.

Notice

Unless called for there will be offered for sale by public auction on the 10th day of August 1908, at 2pm at the Town pound, Clareisholm, 1 brown gelding age about 3 years, white strip in face, hind feet white, white strip on right front foot, branded up on right hip. John Miller Pound Keeper.

MONARCH

The New Townsite Between Lethbridge and Macleod.

Mr. D. M. Ross the owner of the townsite of Monarch, accompanied by several Claresholm gentlemen, paid a visit this week to what is destined to be one of the best towns in Southern Alberta. Monarch is or will be—for as yet it is nothing except a section of beautiful prairie land annexed perfectly level—situated about midway between Macleod and Lethbridge on the new cut-off of the C. P. R. and is the probable terminus of a branch of the C. P. R. which will run from Calgary south through Calgary and the Little Bow country. It has a first class situation about a half mile from the high banks of the Old Man river and less than a mile from the river itself. This gives it a fine view of the river and with a comparatively small cost an everlasting water supply.

For many miles on the east, north and west of Monarch the country is of the best and almost wholly under cultivation. In the vicinity are many large farms where several sections are worked and owned by one man. Mr. C. S. Noble has with him in four or five miles of the townsite a section of land all under cultivation and expects to harvest 40,000 bushels of wheat this fall besides other and other grains. Mr. McLean has a fine farm which comprises seven or eight sections is also in the vicinity. The town flows the Old Man river and beyond it another stretch of country, an Indian reservation, which is likely to be thrown open to the public for settlement in the near future, at present takes up most of this district.

The opening of the new line is completed to within a mile of the townsite on the east and about three miles on the west. This will be ready for the settlement as soon as the bridge at Lethbridge is completed. All on the farm immediately surrounding the townsite good water and plenty of it is to be obtained by digging from 10 to 20 feet, so there is every probability of a plentiful supply of water in the town.

No better exposure to be found in Alberta than those in the vicinity of Monarch.

It will be interesting to watch this town grow for it is starting out with every advantage. The country surrounding it is already fully developed and its situation is of the best.

A Fast Game.

They were seated in the parlor and the lights were burning dim; he was a major league, she a fan quite fair and trim; but they knew not as she opened up the game by murmuring "Love" that father was the umpire on the strategy just before. "I like your form" he said at first, "with me you've made a hit; your curves are good, you have the speed, and you are looking fit. Now, with my little-doll, I make a hit likewise" "won't you join in and play the game, and make a sacrifice?" "I'll promise to support you dear, with all my skill each day. I'll draft a home for you and fix it right away. If you'll just call the game the I will no longer roam, and when I slide onto the plate, please call me slide at home." "First let me, sir," she panted at him, "how high you ranked last fall. Show me your

finding average, and how hard you hit the ball. In matrimony's busy leagues, diamond plays are out of place. I'd like to have the days before I fall to far off days. Remember that the game is rough when play falls to come; sometimes the salary whip is laid—the nod—the nod on this; and don't forget you'll be reserved for life and held in line. Be aware that you'll never jump your contract and I'll sign. He started warming up at once with victory in his eyes. He showed a fast on round her neck, the other was wild high. Just here the umpire batted in. She cried, "Oh, father, please, there's nothing wrong, or George is only showing me the way." The old man gave an "A" and said, "I'll help the fun by showing George another game that's called the 'hit and run.'" He swung like Kalley at the bat—a neat inspiring catch. The umpire yelled "You're out."

A Fine Record.

From an attendance of one and a half of one on the opening day of last September, to an enrollment of 150 and a staff of six, in less than a year, is the phenomenal record of success of the Claresholm Business College of Calgary. This record bears out the faith of the founder, Mr. F. G. Garbutt, that a modern school of training established in the heart of the Great West would receive the practical approbation of the people who desire such a training and would ston the exodus of untalented young men and women, who annually travel down to Toronto and other centres of the East for this purpose.

Great Socialist Leader Coming.

The Alberta Provincial Executive Committee for the Socialist Party of Canada is now an accomplished fact. Its headquarters will be at Calgary. E. T. Kingsley, socialist candidate for the Commons, Vancouver, and editor of the socialist paper "The Western Clarion," has been touring throughout the country and is now returning via Claresholm, where he will address meetings in the near future. He is the ablest exponent of socialist economy on the American continent. Don't miss the opportunity to hear him.

Synopsis of Coal Mining Regulation

Coal mining rights in the Dominion, in Manitoba, Saskatchewan, Alberta, the Yukon Territory, the Northwest Territories and British Columbia, may be leased for a term of twenty years at an annual rental of \$1.00 per acre.

Application for a lease will be made to the Agent or Sub-Agent of the district in which the right is desired.

In leased territory the land agent has the right to sell the coal, and the coal agent has the right to sell the land.

Each application for a lease will be accompanied by a fee of \$5.00, which will be refunded if the right is granted for a term of more than ten years.

A royalty shall be paid on the marketable output of the mine at the rate of five cents per ton.

Every lease of coal mining rights, which are not being operated shall furnish the Agent or Sub-Agent of the district with a sworn statement to that effect at least once in each year.

The lease will include the coal mining rights only, but the lessee may be permitted to use the same for other purposes, if the same may be considered necessary for the working of the mine at the rate of \$1.00 per acre.

For information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of the district.

W. W. C. Deputy Minister of the Interior, Ottawa, or to any Agent or Sub-Agent of the district.

Items of Interest.

On the shade last Monday.

Three men got their iron pipe work done at Wood's.

Did you notice anything good in town last week-end boys? No, no, it was white.

Mr. and Mrs. E. W. Frost and visitors are spending a week or ten days at Clear Lake.

Rev. A. B. and Mrs. Argue and Dr. Stevens are spending a few days at Clear Lake.

J. A. Smith is holding another auction sale of Household effects on Saturday afternoon.

A much needed side-walk is being built on Shaver street between 3rd and 4th ave's North.

Hall Insurance—Insures your crops against hail and your buildings against fire.—Frost & Reynolds.

Father Heausel is here on Sunday, July 26th and will hold service in the Catholic church, Mass at 10:30.

Mayor Moffatt returned Tuesday morning after spending a few days on a business trip along the Crow's Nest line.

This hot weather is bringing the fall wheat along quickly and it will not be long until we hear the hum of the binder.

On account of the absence of J. F. Reynolds, E. A. Brown has been chosen captain of the Claresholm basketball team.

Shooting season will soon be here. Long guns and rifles to J. W. Wooster to be cleaned and repaired. Satisfaction guaranteed.

Many Claresholm men are buying out in the new townsite of Minahatch, west of them with a view to establishing businesses there.

Several town people attended the June Lake picnic Wednesday last. Nothing was heard of the chief amusement. All report a good time.

Mrs. Wm. Moffatt, Mrs. R. E. Moffatt and Mrs. C. E. Tiltson returned from Winnipeg on Saturday afternoon where they had been visiting friends.

The Circus.

Norris & Bowe's big circus has come and gone and the small boy has seen something that he will remember for many a day. On no day in the year is the boy so excited and on no day is he up so early. In fact many were up hours before the circus train arrived. Who is there among us that cannot remember having sat through the same fever of excitement? Can you not remember the circus days years ago, at home in the east, when long before any one else was astir, you crawled out of the upstairs window and slid down the woodshed roof in order that you might see the first animals unloaded? A circus has still the same effect on the youth as it had in those days.

The train arrived here about 7 o'clock last Saturday morning and within a couple of hours, as if by magic, a tented city had risen on the open space south of town. In order that the people coming from the country might not miss it, the parade was postponed until 1 o'clock. It presented a very creditable appearance and was watched by a large crowd who had by this time gathered from the surrounding country.

The show itself was good and if anything a little above the ordinary. There was a noticeable absence of the proverbial shell game and other gambling schemes that generally follow in the wake of a circus. The afternoon performance was well attended and the evening attendance was fair.

It is all over now but a regret when we think that the people of this district are, at least, \$2000 poorer in hard cash than they were a week ago. What have they to show for it?
